Description

Coming from a hybridization of Hosta Bill dress's blue.

Miniature hosta frequently used as Kusamono to go with bonsaï.

Height : about 5/10 cm.

Width : about 10/20 cm.

Dimensions of the leaves : about 5x4 cm.

The leaves, full of dark green, have the shape of a little heart with thin creamy white sides.

Blue-purple and white flowers in summer.

Big rhizome delivered in a 1 liter plastic pot.
