Description

Coming from a hybridization of Hosta Shiny penny.

Miniature hosta.

Height : about 10/15 cm.

Width : about 20/30 cm.

Dimensions of the leaves : about 9 x 5 cm.

Spear-shaped and prettily corrugated leaves, yellow/golden yellow in the middle and green colored on the thin sides of the leaf as a paintbrush touch. The yellow color becomes more shiny depending on the sun exposure of the plant.

It forms a beautiful shrub in a flower bed.

Little purple flowers in summer, much charm.

Big rhizome delivered in a 1 liter plastic pot.
