Description

Total height 740 mm. Approximate weight + - 400 kilograms. Table length: + - 1100 mm, width: + - 900 mm, thickness + - 90 mm. Stools' height 440 mm, width + - Ø 350 mm. A unique piece of garden furniture, imported from Japan, and made of beautiful stone that contains blue/green veins similar to marble. The rustic, irregular shapes contrasted with polished surfaces are what lend these stools and table its charm. This table is composed of two parts, facilitating its transportation. Please ask for an estimate of the shipping costs.
