This practical 'how to' bonsai book tells you all you need to know about Japanese maples. There is currently no English version but easy to understand, clear diagrams and pictures demonstrate how to care for your acers throughout the seasons. There are tips on selecting a maple to buy, fertilisation, protection against parasites and diseases, repotting and a detailed section on creating different bonsai forms from moyogi to chokkan, to forest and rock plantations.

This book is exclusive to Maillot-Bonsai. It's an essential guide to acer palmatum bonsai.
