Description

Measurements: 21 cm high, 7.5 cm wide. Made in Japan, this kasuga miniature lantern finely carved by hand makes a great collector's item. Small enough to hold in both hands, this ornamental model suits displays in small gardens or it can be part of a miniature Japanese dry garden to decorate the home. It's made by skilled craftspeople according to a traditional process, with the 5 elements assembled and glued together. A sweet and thoughtful present for those passionate about Japanese culture.
