Description

Hosta 'Warwick Comet' has cupped, moderately corrugated, veined foliage. In the growing season, it changes from vivid gold to creamy white in the centre, with a wide green margin. Pale lavender flowers on white stems at the end of June until the end of July.

Height: 20 cm x 50 cm wide.

Leaves 8/10 cm long x 5 cm wide.

Derived from hybridizing 'Christmas Tree' with 'Dorset Blue'.

Big rhizome delivered in a 1 litre plastic container.
